

Financial Viability Warrant

This form provides for an authorised body or person to warrant the financial viability of a member school or schools from a non-government school registration system and/or an individual non-government school. This warrant is to be completed by a body or person approved by NSW Education Standards Authority.

The warrant is provided by

.....
[insert name of NESA approved body or person]

The warrant relates to

.....
*[For systemic non-government schools, insert name of member school(s) or, if applicable, insert 'All member schools of <name of system>'.
For an individual non-government school, insert name of school.]*

The NESA approved body or person warrants that the school(s) identified above are financially viable for the period of registration being sought by the school(s) based on the information currently available to the approved body or person with the exception of any school(s) that the approved authority of the registration system plans to close during the period of registration being sought.

The approved authority of the registration system undertakes to give NESA 12 months' notice of any planned closure of a school(s) for which this financial viability warrant relates unless exceptional or emergency circumstances exist which require the earlier closure of the school(s) concerned in which case the approved authority of the registration system will notify NESA as soon as practicable.

Declaration by the NESA approved body or person
